The groom is wearing a dark blue suit. To their right is a large, ornate crystal chandelier with a wide, tiered top and a long, slender stem, both covered in thousands of sparkling crystals. The chandelier is illuminated, casting a warm glow. The staircase has a light-colored wall and a dark metal railing. A green 'FIRE EXIT' sign is visible on the wall. We ask for £2000 non-refundable deposit at the time of booking to secure your wedding date. Following this, we have a detailed payment plan in place for all wedding couples. Deposits can be made at any time if you would like to reduce your final balance.

## **When can I set up for the wedding?**

We know how exciting it is to start setting up your wedding. However, the venue is only secured from the time stated on your contract.

## **How do I book my registrar?**

We make your initial booking with the registrar and you will then receive an information pack from the registrar via the post. There is a small booking fee to pay, this will confirm your date then any additional costs, final payment and details will be organised solely between yourselves and the registrar.

## **Can I use external suppliers?**

We have some amazing, recommended suppliers however as a venue we do not object to you using external supplier for your wedding day. We would require a copy of their public liability insurance for any Band or Disco and PAT testing certificate. Please note the Hotel does not take any responsibility for the loss or damage of any items brought into the Hotel. Your suppliers can gain access on the day from a time agreed with the event coordinator.

# FAQs

**Can I have fireworks?**

We are not licenced to let off fireworks on site, however if you arrange directly with a company to let fireworks off on the beach you are more than welcome to do so. Please do let us know so we can inform any Hotel guests at the time. A Risk Assessment from your chosen company will be required and we advise on taking out additional insurance in case of any accidents. Please note that no fireworks or sparklers are permitted on any part of the hotel premises, used or unused.

**Is there a corkage fee?**

No wines, spirits, food or beverage may be brought into the Hotel or grounds by or on behalf of yourselves. A charge will be made by the hotel against any guests consuming their own wine and spirits, please speak to your Wedding Coordinator for more details.

**Can I use confetti and petals?**

Confetti or Petals are not allowed on our grounds or in our buildings.

**Are dogs allowed in the hotel or at the wedding?**

We only allow service dogs in the bedrooms at the hotel. Pets are welcome in the ceremony rooms and the wedding breakfast room if kept under control, but must go after the service.

**When can we bring in our own decorations and items?**

We ask that items are delivered to the hotel the day prior to your wedding; this must be discussed with your Wedding Coordinator. Depending on the amount of table decorations a fee may occur.

**Can I have candles as decorations?**

We do allow candles, but the containers should be 3cm higher than the naked flame and the stand should be sturdy so that it will not tip if the table is knocked. Many of our regular florists use flameless electric candles which are very realistic and safer.
